

Manufacturer's Certification Statement

This Certification Statement provides verification that certain Vector windows and doors manufactured by Vector Windows Inc. may meet the eligibility performance criteria for tax credits. The Inflation Reduction Act applies to qualifying windows and doors purchased and installed between January 1, 2023 through December 31, 2032. For complete requirements and limitations, please visit: https://www.energystar.gov/about/federal_tax_credits/windows_skylights

Windows and doors must meet or exceed the ENERGY STAR Most Efficient criteria. requirements and be installed within the climate zone in which the product meets those requirements. Based on the SHGC value and U-Factor certified by the national Fenestration Rating Council, Vector Windows has determined that certain rated products may meet ENERGY STAR (Version 6.0) and Most Efficient program requirements. Consult the IRS and tax advisor for additional rules and forms and a complete description of Tax Credit requirements. The taxpayer is not required to attach this statement to their tax return. However, the taxpayer should retain this statement with their tax records.

Taxpayers attempting to claim a tax credit related to the purchase of Vector Windows and Doors should consult a tax professional. There may be additional requirements and limitations on claiming tax credits that are not contained in this document.

This statement only certifies that certain Vector windows and doors qualify for tax credits as Eligible Building Envelope Components. This Statement does not certify the amount of tax credits that a taxpayer may receive or that individual taxpayers meet all requirements necessary to obtain such tax credits. Vector Windows Inc. is not responsible or liable for the taxpayer's ability to receive tax credits. Always consult your tax advisor.

Under penalties of perjury, I declare that I have examined this certification statement, and to the best of my knowledge and belief, the facts are true, correct, and complete.
