

NEW! 3.5" ENVISION FLAT TRIM

Create a custom home finish with the convenience of a low maintenance vinyl flat exterior trim. Enjoy faster installation time and a precise fit with our custom 3.5" Envision Flat Trim built to endure the elements.

WELDED WITH MITERED CORNERS

The flat trim is welded with mitered corners in a fully assembled unit.

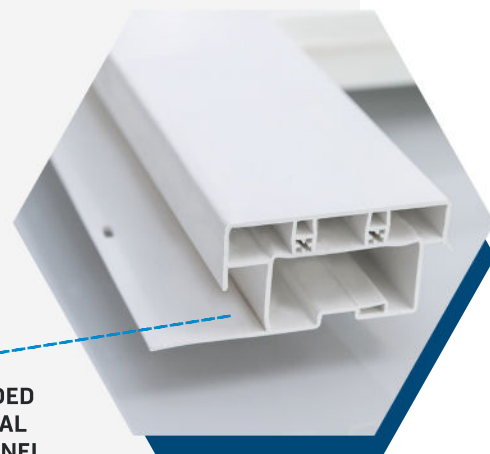

Add curb appeal and streamline exterior window trim installation.

3.5" Envision Flat Trim is pictured in white with a black laminate Envision Window

TRIM COLOR

- » Precise factory assembled surround trim kits for easy on-site installation
- » Simple standard nailing fin installation process with no screw holes to fill
- » No painting necessary, durable weather resistant vinyl trim
- » Low maintenance vinyl with mitered corners creating a stunning finish without expansion and contraction gaps
- » Reduce costly material waste and recuts
- » Option available in white for Envision Series Windows
- » The White 3.5" Envision Flat Trim can be beautifully paired with a variety of our Envision windows exterior colors
